### Display stand with brochure rack

This display stand with brochure rack is perfect for promoting your brand or services and dispensing information literature. The tall display stand includes a large A2 poster frame for your graphics or messages and one or two leaflet rack(s) for literature that you want your customers or clients to take with them.

- Easy-action snap frames included

- Poster frame can be mounted in portrait or landscape
- Snap frames supplied with poster cover sheets
- Includes steel literature holders with large capacity for A4 brochures
- Brochure rack sits A4 brochures side-by-side or A3 landscape
- Student and stable square base – safe to use in high footfall areas
- Overall height is 1.8m

Frame and brochure box combinations:

- **IC.1XA2/1SH** – 1x A2 frame and 1 x double A4 literature shelf, single sided. (Displays 2 A4 brochures)
- **IC.2XA2/2SH** – 1 x A2 frame and 1 x double A4 literature shelf **each side**. (Displays 4 A4 brochures)
- **IC.2XA2/4SH** – 1 x A2 frame and 2 x double A4 literature shelves **each side**. (Lets you display 8 A4 brochures or catalogues).

Frames can be mounted either landscape or portrait, the portrait version is illustrated

## Information point display stand

The information stand is made from robust aluminium and features a heavy weighted base giving this sign stand extra stability for high footfall areas, the professional quality snap click frames are simple to use and mean the printed posters can be changed quickly and easily with each new promotion. The brochure holders are made from steel with a durable silver paint finish and have a large capacity for brochures or leaflets. This stand also benefits from being fully recyclable at the end of its life cycle.

## Information point poster stands for large posters
