Description

Blackboard and easel display set

Blackboard and easel combo set comprising an adjustable fold-away easel in either natural wood or black stain finish with a dark framed blackboard with write-on surface suitable for real chalk but ideal for use with chalk pens. This menu board display easel display unit with blackboard really exudes the classic and rustic display helping to draw in the eye.

The collapsible easel comes with a 90cm x 60cm chalkboard black board. The large blackboard has a dark oak look finish and is light weight for easy removal from the easel to update your written message or menu. The adjustable display easel also means you can position the message at the ideal display height for your clientele. Whilst you can write on the surface with stick chalk, the best results are achieved with our [liquid chalk pens](#).

- Foldable easel comes in two different finishes to choose from; natural or black.
- Blackboard chalk board perfect for use with liquid chalk pens.
