Small display easels for table-top made from traditional natural wood

Small and medium tabletop easels have a folding wooden strut and include a shelf with a lip on which to stand any type of rigid board, mounted photo or small picture frame. Easel display stands are popular in shops and showrooms for displaying printed POS materials.

We offer two sizes of tabletop easel display stands.

- **Small table-top easel** is ideal for many events and venues, ideally suited to hold A4 size, displayed either portrait or landscape.
- The Small wooden easel is pictured with a 30cm high x 25 cm wide display board - slightly larger than A4.
- **Medium display easel** for table top is ideally suited to holding A3 size placed upright (portrait) or on its side (landscape).
- The Medium size wooden easel can be used to hold your own frame containing a photo at a wedding, birthday or funeral. Equally this table easel can display a printed seating plan for a special dinner or event.
- Table easels are supplied in an unstained light wood finish.
- Small easel is 43cm tall. Medium easel is 50cm tall.

More Information	<p>Ideas for using small and medium size easels</p> <ul style="list-style-type: none">• Small display easel for table-top 43 cm high wooden easel for displaying pictures or signs• Display easel for table-top Easel display stand Natural wood 50 cm (20 inch) high <p>Small easels can be used for displaying pictures, framed prints, photographs or sign. Medium size table easels could be used to display a map or architect's drawings next to a scale model on a display table. Alternatively, a printed foam board could be placed on the easel at an exhibition, containing information about the artist or sculptor. A wooden display easel could be used on a reception desk in an office for opening times, welcome notices for visitors or delivery instructions for couriers.</p>
