### Wall mounted ClipLock DL brochure holder and display unit

Clip-Lock brochure holders are for wall mounting to create a tiered literature display. This kit consists of sixteen one-third A4 (DL size) pockets suitable for typical tourist brochures and small flyers advertising attractions.

The display can be extended sideways by ordering extra kits - with either more of the DL size or different size pockets. The components are made from tough clear plastic. The design makes assembly easy after the top mounting rail has been screwed to the wall.

- Clip-Lock Kit 3 comprises a mounting rail and 16 no. 1/3rd A4 pockets making a literature display four pockets wide by four deep.
- The vertical spacing of the pockets is adjustable depending on the space at your disposal. Brochures can be displayed in a compact format or spaced further apart.
- The width of a single kit is 46cm (18"). The mounting rails are common to each kit and are designed to interlock for a neat continuous appearance.
- Order two kits to make a wall display of 32 DL size brochure pockets.

More Information	<p>THIS PARTICULAR SET IS <b>NOT</b> SUITABLE FOR A4 BROCHURES. See <a href="#">A4 Cliplock</a>. Overall height is adjustable between 350mm/14" and 500mm/20".</p> <p><b>Further Options</b></p> <p>For fixing directly to slat-wall an alternative mounting system is available for use in place of the screw-on mounting rail. Please ask for details.</p> <p>If you are looking for a complete wall of brochure pockets - i.e. a tall display not restricted to 4 pockets deep - we have other ClipLock kits which can achieve this. Please call or email for more details - ideally stating the overall wall space you wish to fill and/or the total number of brochures of each size you aim to display.</p>
