### **Wooden A-Board pavement sign dark hardwood 46 x 68cm chalkboard surface**

A great addition to our range of wooden chalkboard A-Boards, this outdoor grade wooden pavement sign is made from sustainable beech hardwood and has metal-coated chalkboard panels to give the A Board stability and weight. The composite panel is suitable for liquid chalk pens and traditional chalk sticks with the added feature of being magnetic too - meaning you can add a magnetic sign holder to your wooden A-Board and mix traditional chalkboard artistry with digital printing. A great solution if you have lunch and evening menus or special events
