### Glass Podium Stand

This high-quality glass podium stand offers a contemporary and stylish way to present your product catalogue, menu or information or looks great on stage at a conference or in a lecture hall. The metal base and bars look sleek but provide superb stability whilst the glass top is angled for a perfect reading or browsing experience. Choose one of these lovely podium stands to create a professional and contemporary greeting stand for visitors and customers.

- Strong 8mm tempered glass display area, angled for a perfect reading experience
- Features a document stopper/lip to keep your documents on the display area
- Robust and stable base and legs with soft rubber feet to protect your floor surface Available in cool silver or contemporary black finishes

Perfect for a range of purposes and places: education, hotels and restaurants, exhibitions, conferences, showrooms, libraries, museums and more!
