Description

Polling Station pavement signs

Our Polling Station pavement signs are supplied with pre-printed posters with repositionable direction arrows for clear way-finding.

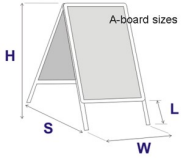

These robust and foldable A-boards come with pre-printed 'POLLING STATION' posters and adjustable direction arrows, ensuring you're ready to go immediately! Suitable for both inside and outside use, invest in these pavement signs now to be fully prepared for Election Day!

- Sturdy metal A-boards with pre-printed posters
- Adjustable arrows to direct voters effectively
- Double-sided visibility for maximum exposure
- Includes clear poster covers to keep your posters clean and secure
- Snap frame design for easy poster insertion

- Outdoor grade incorporating drainage holes and metal back panels
- Rounded corners for an attractive and safe design
- Easily folds away for storage and re-use - for the next election or re-purpose with different posters for other civic events

Don't delay - stock is limited, so buy now to avoid disappointment.

Additional Information

<p>More Information</p>	<p>A1 Snap frame A-board AB.A1 is a silver A1 board pavement sign A1 snap frame A-board Heavy duty outdoor quality Weight Approx. 8.5 kg</p> <p>A2 Snap frame A-board AB.A2 is a silver A2 A-board Compact portable pavement sign A2 poster size silver finish snap frame A-board Weight Approx. 6.5 kg</p> <p>Replacement clear cover sheets are available Our A Boards are supplied with good quality plastic covers. Click here for Snap frame replacement plastic covers.</p> <p>Specification of Snap frame A-boards Our A Boards are supplied without posters. Advertising posters designed to your individual needs can be sourced in most towns from local printers or sign shops and changed when required to keep your message looking fresh. Snap frame A-boards are shipped out individually boxed with corner protectors to offer added protection. Poster protectors are shipped inside the frame. Because they are see-through they can be missed - so please look again as they are always included.</p> <p>The poster frames on these pavement signs are supplied with drainage holes at the bottom of the frame but are not guaranteed 100% waterproof. Generally, this does not present a problem when posters are changed from time to time. Other options are to print the poster on water-resistant paper or synthetic media or to encapsulate the print. This is best for more permanent advertising boards. Alternatively, select from our range of waterbase pavement signs as these are fitted with virtually waterproof poster frames.</p> <p>As well as supplying end users direct we are a trade supplier of A-boards.</p>
