Lockable Felt Notice Boards - Blue felt

Attractive felt backed display case for notices with a pinnable fabric covered board behind a hinged lockable door.

These felt back locking notice boards are designed with a small space between the back of the hinged glazed door and the felt covered notice board. This creates room for pinheads, display of fabric swatches or similar slightly thicker items to be put on display. The notice board is suitable for either Indoor or outdoor wall mounting.

- Four sizes available, each defined by the number of A4 sheets which can be displayed. Exact dimensions are stated under View More Details.
- Sturdy aluminium display case is suitable for mounting on a wall - either indoors or externally.
- Royal blue felt background is suitable for pins as well as Velcro (hook) fixings. Some other colours are available on a made-to-order basis (delivery of specials can take five weeks).
- The door is glazed with tough yet lightweight polycarbonate and is secured with a key lock.
- Door stay is provided enabling the case to be fixed with the hinge at the top if required.
- Depth of the aluminium frame is 30mm. The width of the frame surround is 45mm. The internal depth (the gap between the felt board and the inside of the door) is 12mm.
- Supplied with 2 keys, wall fixings and bag of poster pins
