Quick finder desk display

Short Description

Heavy duty desk top flip display with 10 A4 black pockets
Product Images

Easy to update

Description

Desk top flip diplay with 10 pockets – metal base

Desk top flip display features 10 hinged black A4 pockets supported on a stable metal base.
When information needs to be found fast this freestanding quick finder desk display is very practical and well priced.

- Ten black poster pockets each take two sheets of A4 paper back to back – so 20 pages can be displayed in each desk display unit.
- The silver painted stable metal stand has rubber beneath so it won't mark the desk or slide on the table top.
- Hinged pockets flex into the desk stand and can be removed for quick reference – for example to follow product assembly instructions.
- Information is displayed at a convenient reading angle.
- Each poster pocket includes a plastic protection sleeve with a tuck in flap to keep contents pristine.
- Suitable flip display stand for office, reception desk, trade counter, factory assembly station, or for (up to) 20 page catalogue displayed in a showroom etc.
