Description

Desk mounted poster flip display with edge clamp

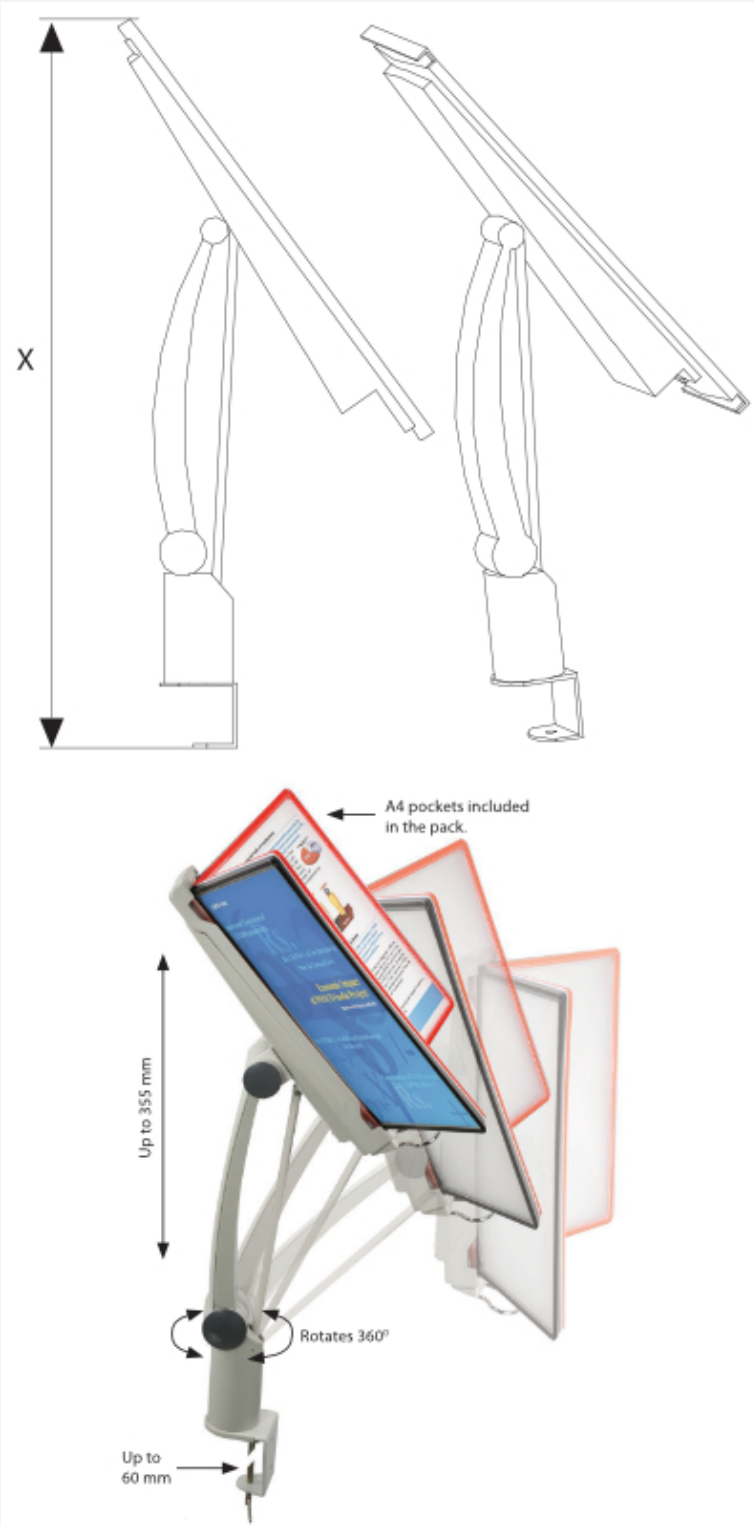

Fully adjustable desk display with pivot pockets secures to the edge of a table or work bench with a secure and elegant metal clamp.

The flip browser arm can then be pulled out or retracted at will to display the ten A4 size pockets conveniently – a real space saver for up to 20 pages of information.

- The well balanced arm positions the pivoting poster display at the perfect reading angle – then simply push it away or revolve it to display to the person opposite.
- Multi colour frames for easy identification of important information, each equipped with clear plastic cover sleeve to take two sheets of paper back to back.
- Simple assembly instructions are included.
- Clamp-on adjustable stand will attach to most desk tops and work stations provided there is an overhang to allow room for the clamping mechanism.
